TOWN OF MILLS RIVER
RESOLUTION TEMPORARILY PAUSING ZONING TEXT AND MAP AMENDMENTS

WHEREAS, the Town of Mills River is in the process of developing a new Unified Development Ordinance (“UDO”), with a new Official Zoning Map, which is estimated to come before Town Council for consideration in June of 2026;

WHEREAS, in order to implement the UDO, Town Council will need to process the proposed UDO as a zoning text amendment and a map amendment;

WHEREAS, Town Council finds that allowing continued processing and consideration of text amendments and map amendments of the Town’s current land use and development codes during the UDO approval process may result in unnecessary confusion between the Town’s current land use and development codes and the new proposed UDO as it relates to such text and map amendments;

WHEREAS, Town Council is desirous of avoiding hearing multiple, concurrent text or map amendments before Town Council during the adoption of the UDO;

WHEREAS, Town Council finds that a temporary pause on the processing of text and map amendment applications under the Town’s current land use and development codes is a reasonable and necessary measure to avoid conflicts, ensure uniform development, and protect the integrity of the Town’s planning process; and

WHEREAS, to prevent confusion, Town Council recommends a temporary pause on processing and consideration of new text and map amendment applications beginning April 1, 2026, and continuing through July 1, 2026, after the new UDO has been voted upon.

NOW, THEREFORE, BE IT RESOLVED BY the Town Council of the Town of Mills River, North Carolina that:

1. Town Staff shall implement a temporary pause on processing any new text and map amendment applications beginning on April 1, 2026, and continuing through July 1, 2026.
2. Applications for text and map amendments under the Town’s current land use and development codes may continue to be submitted to Town staff; however, the application shall not be brought before the Planning Board until after July 1, 2026, when the new UDO may be in effect.
3. Town Staff shall accept and process all other applications made to Town Staff during this time.
4. This temporary pause does not impact an applicant’s rights under North Carolina General Statutes §160D-108 and §143-755 as it relates to permit choice.

Title: **Discussion on Henderson County Historic Resources Commission**

Speakers: Matthew McKirahan, Town Manager

Background

The Henderson County Historic Resources Commission endeavors to preserve historic districts and landmarks across the county. There are no requirements for the property owner to participate.

In December 2025, members of the Henderson County Historic Resources Commission met with Town staff to discuss opportunities for the commission and Town to join an interlocal agreement. If adopted, Historic Resources Commission staff will provide services to the Town of Mills River under the ordinance.

Services include:

- Review of applications
- Communications with property owners, municipality, and tax department
- Presentation of applications to the Historic Resources Commission

Resource impact:

- Town staff will provide assistance to the staff liaison when possible or necessary. Workforce resource requirements are minimum.
- Henderson County will keep any and all fees collected related to the ordinance.
- County and Town will work together to promote historic sites, as defined with participating property owners.

At the February 26, 2026 Town Council meeting Staff was directed to bring a Resolution adopting the Historic Landmark Ordinance and an Interlocal Agreement with Henderson County for enforcing the Historic Landmark Ordinance.

Discussion

Council may consider participating with the Historic Resources Commission. If amenable, Council could adopt the resolution and authorize the Town Manager to sign the Interlocal agreement.
